

HOW TO USE YOUR TEAM STORE

FINALIZE ART

Your team will work with a TB Designer to create the gear you desire.

You will be able to have three revisions to your team's gear until the art is finalized.

Every revision after that will be an additional charge of \$15.

SELF FULFILLMENT

Your online team store is self fulfillment! Therefore you can add the items you want to your cart and checkout right on the website.

STORE LINK

Once we finalize your team's art you will then receive an email with your team's link to their store.
